

Safety Tip....and....SAVE \$\$!

Tired of paying \$1-\$1.50 for a phone number through information? Use GOOGLE's **FREE** service. The safety feature kicks in when you are driving. Nothing to write with? No problem. After safely pulling off the road, connect to 1-800-goog411 (1-800-466-4411). Better yet, put the number in speed dial and just push one cell phone key. If you have an earpiece the service will really be convenient.

The voice at the other end will ask you for:

- Business, name or type of service
- City and state

You will have the option of being connected immediately or you can request details and get the address and telephone number.
