

## Chief's Corner- Thank you Black Butte Ranch Voters

Thank you to the voters of Black Butte Ranch for supporting the Police Service District's Operating Levy on May 19<sup>th</sup>, 2015! We all recognize that voting to approve a bond or levy is not an automatic action. We sincerely thank all those who helped us evaluate the projections which will maintain the district operating levels for the next five years. The members of the Black Butte Ranch Police Service District Board have been particularly steadfast through the last few years as we weathered the recession and worked to improve services.

We recognize that our voters have agreed to these taxes with the expectation that the money will be well and carefully spent and we will meet that expectation.

We welcome community members to be involved with the Police Department. Many of our Community Education classes come from your suggestions. We are fortunate to serve a community that has seen much personal success in various careers. Many of your experiences and knowledge help the Police Department solve problems and make the Ranch a better place to live and visit.

On behalf of the Black Butte Ranch Police staff, I thank you for your support and commitment to our Department.
